

Think back upon your learning today. Consider such learning-related content and experiences such as:

- What happened in class – lectures, exercises, problem-solving, group work, quizzes, other
- What happened outside of class – readings, videos, conversations, discussion boards, other

While reflecting upon those things...*in your own words*, please take a moment to answer the following questions.

A group of six diverse young professionals (three women and three men) are smiling and interacting in a modern office setting. They are surrounded by numerous colorful sticky notes (pink, yellow, blue, green) that appear to be floating or attached to the glass partitions in the background. The scene conveys a sense of collaboration, learning, and positive workplace culture.

This image shows a full page of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page, providing a template for handwriting practice or general writing. There are no margins, text, or other markings on the page.

What do
I still have
questions
about?

What do I wish my professor knew
about my learning experience today?

(What worked well? What didn't work so well?)
